McMaster	79.07	24.54	9.54	47.80%	14.60%	32.90%	66.40%
York	72.3	22.15	8.53	46.30%	18%	32.50%	69.40%

Initial match up shows York as one of the weaker teams in U-Sports but Mac shouldn't underestimate them since Mac has lost to worst teams this season

Notes for York

- Expect #2 to be their main guy but everyone in the starting 5 can run plays
- York has bench and no one has the ability to score and will likely not even give possessions to their bench members (starting 5 have over 60% of the teams possessions)
- Expect #5 to run a pick and roll most of his possessions

McMaster vs Queens

Teams	PTS	DEF REB	OFF REB	aFG%	TO%	3 PT%	FT%
McMaster	79.07	24.54	9.54	47.80%	14.60%	32.90%	66.40%
Queens	73.73	26	9.72	51.70%	17.40%	32.40%	61.60%

What particularly catches my eye about Queens is the fact that their strengths are all the areas that are apart of our WE VALUE stats. Can we challenge ourselves to have better WE VALUE stats than Queens?

Notes for Queens

- Queens like to play with a significantly lower pace factor than McMaster which we can use to our advantage
- Queens plays a straight forward game focusing mainly on what we focus on in our WE VALUE stats to set the tone for themselves
- They are very disciplined and do not foul
- Not the strongest 3 point shooting team
- #9 is a dominant force on the offensive rebounds
